March 14, 2001

Sir:

Prior to the calculation of the filing fees of the above application, please enter the substitute pages and amend the application which includes the substitute pages as follows:

IN THE CLAIMS:

Please amend claim 11 as follows:

11. (Twice amended) A method of manufacturing a transferable magnetic tape according to claim 6 or 7, wherein after said pattern printed region is formed using a printing cylinder corresponding therewith, said filling layer is formed in said filling layer region using a printing cylinder corresponding therewith, without gaps between said pattern printed region, and without overlapping.
